

Webinars for Practice Educators- 25-26'

Our Vision: Design a series of accessible and relevant webinars for professionals, relating to education in the practice setting

- Are you supporting other professionals in your workplace?
- Do you supervise or assess learners?
- Are you interested in education in the practice environment?
- Topics include coaching, artificial intelligence, the modern learner, supervision & feedback.
- Find out more <https://future.nhs.uk/PracticeEducationTraining> within the webinar file
- All topics are shared on the next slide with a Teams link
