

Becoming a GP Clinical Supervisor (CS)

1

Step 1 - Am I eligible?

You must be a GP working a minimum of four clinical sessions,
Been a qualified GP for 12 months at time of CS accreditation,
A salaried Doctor or partner in the practice for at least 6 months (not a Locum or Retainer Doctor).

2

Step 2 - Will my practice support me?

Discuss your CS aspirations with your current GP Practice.
Red CQC ratings should be resolved first.

3

Step 3 - How do I apply?

This online survey is where you should submit your 'Expression of Interest'.

4

Step 4 - When is the training offered?

Your eligibility will be checked and then you will be invited to the next CS one-day course. Future course dates are included on the HEE KSS webpage. These are held virtually.

5

Step 5 - How do I prepare?

You will need to complete these short e-Learning modules prior to the training course. They are free of charge and will take around an hour and a half to complete.

6

Who can I support?

- F2's
- ST ITP's

Further information

Once your Expression of Interest is submitted, a member of the team will be in contact to invite you to a training date, request further details, and explain the mandatory accreditation process. Please use the HEE KSS webpage for further information and contact details.
